

## VIENNA SYMPHONIC LIBRARY

### Orchestral Instruments for Logic & Gigastudio

The Vienna Symphonic Library is the world's largest, most expressive orchestral sample collection, recorded by world-renowned Viennese orchestras on a specially constructed "Silent Stage." All collections are on DVD format.

**Orchestral Cube** offers up to 105 GB of magnificent multisampled Strings, Brass, Woodwinds, and Percussion in one super-value package. List price: First Edition \$2100. Pro Edition \$3190.

**Performance Set** offers up to 125 GB of samples from fixed, inflexible recordings to pure fluid expression. When combined with Vienna's included MIDI Tools, you'll get the realism of a live performance with the flexibility of multisamples. List price: First Edition \$1800. Pro Edition \$2500.

**Complete Orchestral Package, First Edition** includes the Orchestral Cube and Performance Set libraries containing over 93 GB of easy-to-use, yet extremely powerful orchestral production tools, plus automatic membership in the exclusive Vienna Innovation Program (VIP), which offers you bargain upgrades and exclusive downloads. List price: \$3400.

**Complete Orchestral Package, Pro Edition** includes everything above with an extra 147 GB (240 GB total). List price: \$5490.
